

SPHERA ESSENCE 2MM

The vinyl with the SMART surface finish

Sphera Essence is a homogeneous vinyl, 2 mm thick, with high binder content which offers a high product density, ensuring excellent resistance to wear.

This product features a SMART surface finish that provides high resistance to chemicals, scratches and stains. The color contrast and transparency create a 3D effect, inspired by granite or terrazzo.

Sizes: 60×60 cm

Colours: 18 colours, non-directional design

Finish : matte
