

CERTIFICAZIONI / CERTIFICATIONS

COMPLETAMENTI

Tavolini di dimensioni, forme e materiali diversi adatti a svariati ambienti

PIANI

Disponibili nelle seguenti forme:
Trapezoidale, rettangolare, quadrato e circolare
Disponibili in melaminico sp.18mm nelle finiture Rovere naturale, Rovere sbiancato, Bianco e Grigio caldo.
Per il tavolo tondo con slitta incrociata sono disponibili piani in vetro trasparente o verniciato.

STRUTTURE

Disponibile tavolino monoblocco, interamente in legno.
Ai tavolini coffee è applicato un basamento realizzato in tubolare metallico ellittico 30x60 e una piastra in lamiera.
Ai tavolini quadrato e Rettangolare è applicato un telaio a slitta in tubolare metallico a sezione circolare diam.16.
Ai tavolini di forma circolare sono applicate tre diverse tipologie di telaio metalliche o in legno di faggio naturale.

Le strutture in metallo sono disponibili nei colori:
Nero, bianco e grigio chiaro

COMPLEMENTS

Small tables in a range of sizes, shapes and materials suitable for various environments.

TABLE TOPS

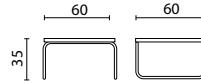

Available in the following shapes:
Trapezoidal, rectangular, square and circular
Available in 18mm thick melamine in oak, bleached oak, white and warm grey finishes.
Clear or painted glass tops are available for the round table with cross-shaped sled.

STRUCTURES

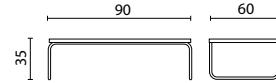

Monobloc coffee table available, made entirely of wood.
Coffee tables are fitted with a base made of 30x60 elliptical metal tubing and a sheet metal plate.
Rectangular and square coffee tables are fitted with sled frames in metal tubing with a circular section diam. 16.
Round coffee tables are fitted with three different types of metal frames or natural beech wood frames.

Metal structures are available in the following colours:
Black, white and light grey

TABO

TBOQ

tavolino quadrato
 -telaio a slitta in tubolare metallico a sezione circolare diam.16.
 -piano in melaminico sp. 18 mm.

square table
 -sled frame in tubular metal with circular section diam. 16.
 -top in melamine th. 18 mm

TBOR

tavolino rettangolare
 -telaio a slitta in tubolare metallico a sezione circolare diam.16.
 -piano in melaminico sp. 18 mm.

rectangular coffee table
 -sled frame in tubular metal with circular section diam. 16.
 -top in melamine th. 18 mm

TBOTF

tavolino circolare
 -telaio a fiore in tubolare metallico a sezione circolare diam.16. Con piastra di aggancio in lamiera forata.
 -piano in melaminico sp. 18 mm.

Circular coffee table
 -flower frame in tubular metal with circular section diam. 16. With plate linking device in perforated sheet metal.
 -top in melamine th. 18 mm

TBOTL

tavolino circolare
 -telaio in legno di faggio naturale con supporto metallico
 -piano in melaminico sp. 18 mm.

circular coffee table
 -natural beech wood frame with metal support
 -melamine top th. 18 mm
